Subject Subpart W Communications Plan

Hi Tony,

Sorry for the delay in reviewing the plan, but thanks for the changes and suggestions. I have incorporated them (attached). Regarding your two comments, currently I do not have a fact sheet put together, and I would welcome your help. Second, I do not have a list of stakeholders in the form of a mailing list. My thought was that by posting the news on the Subpart W website we would reach the stakeholders that have been following us for the last two years, but I'm open to any suggestions.

I'm working from home today, but hopefully we can discuss in person tomorrow. Thanks again for your help.
